**2020 is a year in which to qualify for NSGA competition in  
Fort Lauderdale, Florida November 5 – 18, 2021.**

**For more information about national competition go to: [NSGA.com](http://NSGA.com)**

1. All first, second, third and fourth place winners or athletes meeting this sport's minimum performance standards in competition at the 2020 NSGA qualifying games will qualify for the 2021 National Senior Games.
2. Athletes qualified in either the 1500M or the 5K race walk may compete in both events at the 2021 National Senior Games.
3. Oklahoma is an "Open" state. This means Oklahoma Senior Games allows participation by out-of-state athletes. The NSGA definition of an athlete's state of residence is that state in which the athlete resides at least six months of the year.
4. Race Walk allows for four resident qualifiers in each event, gender and age division. Oklahoma qualifies four Oklahoma residents in addition to any top four finishing out-of-state athletes. This means that if the top four places are all filled with out-of-state athletes, Oklahoma residents who place in the next four positions qualify for the 2021 National Senior Games. Oklahoma would then qualify eight athletes for the national senior games in that event, gender and age division.

## **RACE WALK MINIMUM PERFORMANCE STANDARDS**

**If you did not place as one of the top four in your age group at the Oklahoma Senior Games competition you qualify for participation in the 2021 National Senior Games if your score was the time or faster than that listed below for your gender and age.**
