1. This will be an Age/Skill division tournament for the first time.
2. The skill ratings will be divided into two divisions each day as long as each division has 4 teams with a limit of six teams.
3. If we don't have enough athletes in an age/skill division, the athletes would move up or down depending on the numbers in each group at the discretion of the Tournament Director.
4. Format will be Round Robin (no referees) and then a single elimination bracket (refereed). Event Director reserves the right to modify format based on the number of tournament entries and skill level in each age group.
5. Format of the games will be determined by registration.
6. Medals will be awarded to the top 3 teams in each age/skill division.
7. We will try our best to assign a certain group of courts to each age/skill division for the tournament. You will be able to bring your chairs & bags and set them up behind the fence as you are waiting to play. Please no bags on the courts. We will have hand sanitizer at each court and we will trust that y'all do your best to keep social distancing in place and wear mask when not playing.
